ZSOM Alumni Newsletter

September 2021

Greetings!

As summer officially ends, I hope this email finds you healthy, somewhat rested, and ready for the fall! While we were all hoping the world would be in a better place by now, we are getting back to some sort of normalcy by continuing in-person (masked) classes and activities, and internal student events at the school.

And speaking of events, I'm thrilled to be able to host an **in-person five year alumni reunion** this year, for our **class of 2016** alums as well as those from **2015** whose reunion was virtual last fall. Please see the info below for the full invitation for **September 24th**, and **RSVP!**

I'm also hoping to host two happy hours this fall, in Manhattan during October, and on Long Island in November. Please stay tuned for details as the venues are finalized - I will send out emails closer to the dates.

We have some great alumni updates below, so please check out the classnotes section to see all the wonderful things your fellow alumni are accomplishing! And as always, please keep the updates coming in, either by submitting online [here](#), or emailing me at SOMAlumni@hofstra.edu.

Stay safe and healthy.

All the best,

Anne Dalgish Koestner
Director of Development and Alumni Affairs

Student News:

- Check out the **coverage** of our 11th (!) incoming class of students ahead of their White Coat Ceremony (to be held October 8). This class continues our tradition of diverse, dedicated students with some great stories.
- The White Coat Ceremony will be limited to students only due to the continuing pandemic. If you would like to watch the livestream, please log on to this [link](#) at 2 p.m. on October 8.
- Muhammad Shoaib, an MD/PhD student at the Zucker School of Medicine, recently received a \$50,000 grant from the ZOLL Foundation for a study on a new therapy following cardiac arrest, you can read more coverage [here](#).
