

WE ARE NORTHWELL...

We are more than 83,000 people
looking at health care differently.

We are many things, but
every day we are one thing:

**dedicated to the
community.**

...MORE THAN A HEALTH SYSTEM.

- Pioneering bioelectronic medicine research at the Feinstein Institutes, including national clinical trial sites for treating lupus, rheumatoid arthritis and paralysis
- Treats more New Yorkers for cancer than any other health care provider
- Delivers more than 30,500 babies annually—15% of all births in NYS and 1% nationally
- One of the largest medical residency programs in the US, with about 2,000 residents and fellows
- Sandra Atlas Bass Heart Hospital recognized as one of top two cardiac surgery programs in US & Canada
- The largest physician group in the New York area.
- Five hospitals receive top-50 national ratings in 28 adult medical specialties in *US News & World Report's* 2022-23 Best Hospital rankings
- Named a Best Place to Work by both *Fortune* and Glassdoor, and one of Fortune's 100 Best Places to Work for Diversity and Best Workplaces in Health Care and Biopharma
- Recognized as one of the nation's top employers for military veterans
- Ten Magnet-designated hospitals recognized for nursing excellence
- Only hospital-based helicopter emergency transport service in the tri-state area
- Largest hospital-based laboratory in North America
- Lenox Hill Hospital the first on the East Coast to use the 3D video exoscope for neurosurgery
- Created New York State's first Center for Cancer, Pregnancy and Reproduction
- Cohen Children's Medical Center was ranked No. 1 on Long Island in *US News & World Report's* 2022-23 Best Children's Hospital rankings and earned top 50 national rankings for exceptional care in nine pediatric specialties.
