---

Are you interested in educating the next generation of healthcare providers? Hofstra University faculty will share an overview of this 30-credit, executive model MS program for clinicians interested in advanced skills specific to teaching and leadership. For more information, please contact Program Director Alice Fornari, EdD, at [Alice.Fornari@hofstra.edu](mailto:Alice.Fornari@hofstra.edu).

*Be sure to contact your human resources manager about tuition remission opportunities.*
