AT HOFSTRA UNIVERSITY

North Shore-Long Island Jewish Health System

Medical Education Journal Club

A Live Webinar Event

Speaker: Steven Rubin, MD
Date: January 12, 2016
Time: 12:00 pm – 1:00 pm

Learning Objective:

Upon completion of this webinar, participants should be able to engage in a discussion on a selected medical education topic reported in a current medical education journal. This month's topic will be creating a learning environment that supports the formation of students and trainees.

**If you would like to propose a question about the article content or research design prior to the webinar please send to afornari@nshs.edu to assure these questions are addressed during the session*

Target Audience:

All clinician-educators
