

Any device with web-browsing capabilities can be connected to **Hofstra Guest**.

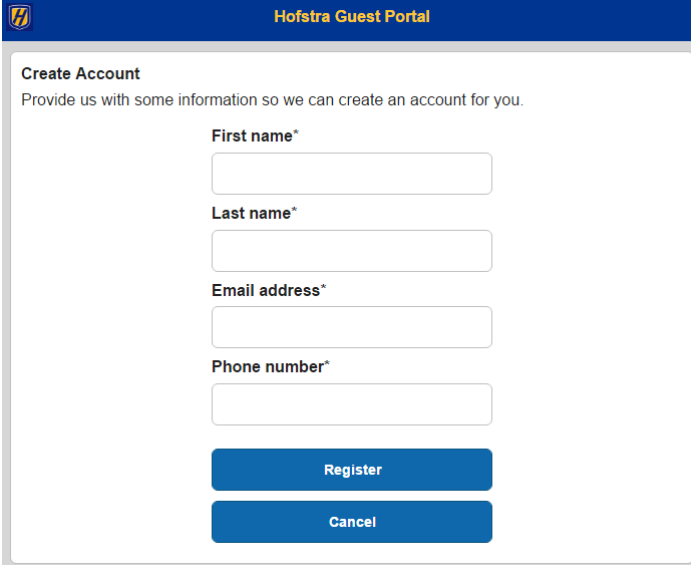

Connecting to Hofstra Guest

1. Select **Hofstra Guest** from the list of Wireless Network Connections and open any browser. You will be prompted by the Hofstra Guest Portal to enter credentials.

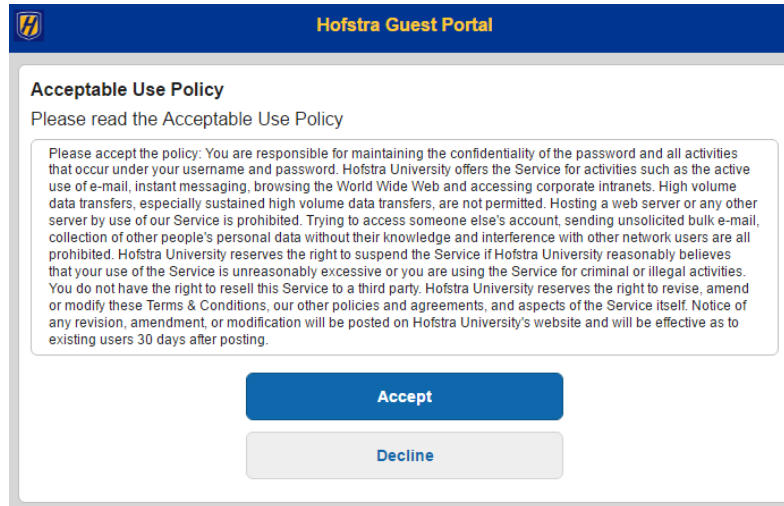

The screenshot shows the 'Hofstra Guest Portal' sign-on interface. It features a blue header with the Hofstra logo and the text 'Hofstra Guest Portal'. Below the header, the text reads 'Sign On' and 'Welcome to the Hofstra Guest Portal. Sign on with the username and password provided to you.' There are two input fields: 'Username:' and 'Password:'. Below these fields is a blue 'Sign On' button and a link that says 'Don't have an account?'.

2. Click on **Don't have an account?** if you are attempting to connect to **Hofstra Guest** for the first time. Fill out the form and click **Register**.

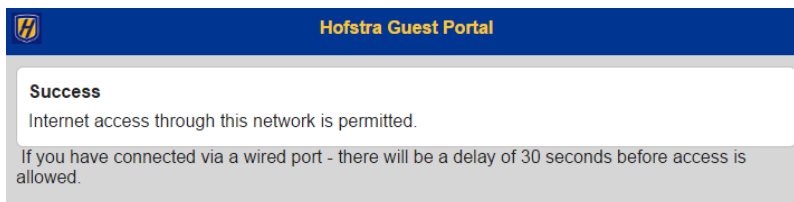

The screenshot shows the 'Hofstra Guest Portal' create account interface. It features a blue header with the Hofstra logo and the text 'Hofstra Guest Portal'. Below the header, the text reads 'Create Account' and 'Provide us with some information so we can create an account for you.' There are four input fields: 'First name*', 'Last name*', 'Email address*', and 'Phone number*'. Below these fields are two blue buttons: 'Register' and 'Cancel'.

- Credentials will be sent from Guest-Registration@hofstra.edu to the e-mail address and to the cell phone number (via text message) you provided.
- Refresh your browser and enter the username and password provided to you. You will be prompted to accept the **Acceptable Use Policy**. Click **Accept** to continue.

The screenshot shows the Hofstra Guest Portal interface. At the top, there is a blue header with the Hofstra logo and the text "Hofstra Guest Portal". Below the header, the page title is "Acceptable Use Policy". The main content area contains the following text: "Please read the Acceptable Use Policy". Below this, there is a text box with the following policy text: "Please accept the policy: You are responsible for maintaining the confidentiality of the password and all activities that occur under your username and password. Hofstra University offers the Service for activities such as the active use of e-mail, instant messaging, browsing the World Wide Web and accessing corporate intranets. High volume data transfers, especially sustained high volume data transfers, are not permitted. Hosting a web server or any other server by use of our Service is prohibited. Trying to access someone else's account, sending unsolicited bulk e-mail, collection of other people's personal data without their knowledge and interference with other network users are all prohibited. Hofstra University reserves the right to suspend the Service if Hofstra University reasonably believes that your use of the Service is unreasonably excessive or you are using the Service for criminal or illegal activities. You do not have the right to resell this Service to a third party. Hofstra University reserves the right to revise, amend or modify these Terms & Conditions, our other policies and agreements, and aspects of the Service itself. Notice of any revision, amendment, or modification will be posted on Hofstra University's website and will be effective as to existing users 30 days after posting." Below the text box, there are two buttons: a blue "Accept" button and a grey "Decline" button.

- You have successfully connected to **Hofstra Guest**. Your guest credentials will be valid for 7 days. Please hold on to the e-mail/text message containing your log-in information.

The screenshot shows the Hofstra Guest Portal interface. At the top, there is a blue header with the Hofstra logo and the text "Hofstra Guest Portal". Below the header, the page title is "Success". The main content area contains the following text: "Internet access through this network is permitted." Below this, there is a text box with the following text: "If you have connected via a wired port - there will be a delay of 30 seconds before access is allowed."

Wi-Fi is available in every building and many outdoor spaces on campus. The University supports Windows Vista and above and Mac OS 10.8+.

If you experience any problems with the Wi-Fi service on campus, please let us know by calling 516-463-7777 or sending an e-mail to help@hofstra.edu.
