

The Zucker School of Medicine
Office of Faculty Development
in conjunction with the
Humanities in Medicine Program
invites you to join us for

Fireside Chats

via Zoom

Each session will feature an expert who will lead us in interactive medical humanities sessions using art, literature, poetry, music, etc.

Faculty, staff, and students are welcome to join as often as they are able.

Grab a beverage and snack, and cozy up to join us for these special evenings. No experience necessary.

To register, click the link next to each session you would like to join. You must register for each session separately. If you need assistance, please email Melissa Affa at MAFFA@Northwell.edu.

For more information, please email afornari@Northwell.edu or Lisa.Martin@Hofstra.edu.

Sessions will take place from 8 to 9 p.m. on Zoom on the following dates:
