SOM Alumni Newsletter

May 2018

Greetings!

Happy spring! As we prepare to celebrate our fourth commencement ceremony at the Zucker School of Medicine, I wanted to send you some updates on alumni gatherings, news, and also highlight two of the newest members of our alumni population (as of May 14!). Please keep the updates coming, and as always, I'd love to hear from you about how you want to be involved. Whether it's meeting up with new alums heading to your city or state, or offering to chat with current students, we want you to feel invested in the future of the school!

As always, please feel free to reach out at SOMAlumni@hofstra.edu with any news, updates, or questions. Hope you are enjoying the spring, and looking forward to connecting with you soon.

All the best,

Anne Dalgish Koestner
Director of Development and Alumni Affairs
