## How Will You **LEAVE YOUR MARK?**

DONALD AND BARBARA  
ZUCKER SCHOOL *of* MEDICINE  
AT HOFSTRA/NORTHWELL

The Donald and Barbara Zucker School of Medicine at Hofstra/Northwell is a unique educational institution, where the next generation of medical students learns to care for others in an innovative, patient-centered environment.

Part of what makes the learning experience at the Zucker School of Medicine so special is the critical thinking and collaboration that take place in many parts of our physical building, which was designed with these interactions in mind.

All contributions are tax-deductible to the extent allowed by law.

We are proud to offer the opportunity to engrave a brick in one such place – Alumni Walk – the seated bench area of the walkway near the rear courtyard, to honor someone special in your life.

You can purchase a brick as an enduring show of support for our alumni, students, faculty, and community, who will proudly walk the path for years to come.
