# Submission Guidelines

**Story slams:** events that celebrate storytelling by inviting participants to share brief stories with an audience. Participants deliver the stories verbally and, at some story slams, attendees vote for the “best” story

## ***Eligibility***

- Open to Northwell, Zucker SOM, and **all NYACP members** - students, residents, fellows, physicians

## ***Preparing your Story***

- Think carefully about the story you want to share. Aim for sharing a story that conveys the fascinating, awe-inspiring, exciting, fulfilling nature of doctoring. Avoid profanity, refrain from slander, and be respectful of patients, colleagues and others mentioned in your story. Tasteful humor is welcome. But please keep in mind that the event’s purpose is to share inspiring, thought-provoking stories not stand-up comedy routines.
- **Submit the application, including brief synopsis of your story** by Sunday, January 26 by 5PM. Submit to: [info@nyacp.org](mailto:info@nyacp.org)
- **If chosen as a finalist, your story narration may last up to five minutes and time limits will be strictly enforced.** You will be asked to relinquish the stage after 5 minutes even if you have not reached the end of your story. Storytellers who exceed the allotted time will not be eligible for an award.

## ***Permissions***

- By participating in the event, you are agreeing to sign over copyright for the audio/video recordings. We will ask you to sign a copyright agreement before the event. If you have any concerns about these conditions, please let me know immediately.
- If you cannot mask the identity of others mentioned in your story, you will need to obtain permission from them prior to the event to identify them in your story. If it is necessary for you to obtain such permission, please contact us for a form that you can use to be sure you appropriately inform those identified. We need your assurance that you obtained permission and could provide documentation of that permission in the event that ACP needed that documentation.
