To report a problem with the system please contact the Help Desk @ 463-7777.
To make sure the Monitor on the wall is on as well as the Projector, select Display Controls to access the controls for those devices.

To manually control the Projector, select Projector Lift, which will give you access to the controls lifting the projector up and down from the ceiling.

To return back to the Home screen, select Back on the left side of the screen.

To access the DVD or VCR controls press on the DVD/VCR source. This will bring you to a screen with the DVD/VCR controls. On this screen you can choose either DVD or VCR input, which ever corresponds to the device you are using. To control the volume or to mute the sound the controls are towards the right of this screen.

Exit the System

To turn off tap Exit and Continue to shut down.
