Learning Objectives
Upon completion of this session, participants should be able to:
- Review new guidelines (the Cares Act) which expand patients’ access to their medical records
- Discuss potential consequences of patients’ access to chart notes and address communication challenges for clinicians preparing open notes
- Identify specific documentation and communication practices of clinicians, which are optimal in notes that will be read by patients

Target Audience: All clinician-educators

Credit Designations:
- **Physicians**
  Northwell Health designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
- **Nurses**
  Northwell Health designates this activity for 1 ANCC contact hours.
- **Physician Assistants**
  Northwell Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.
- **Psychologists**
