

The **JiTT Infographic App** supports clinical teachers & trainees with free open-access medical education (FOAM) resources. All JiTT's are evidence-based & accessible on mobile devices, delivered asynchronously as a FD strategy.

- 24 categories with 200+ JiTTs
- Key word search engine
- Save "favorites" & download JiT
- "How To" videos for JiTT application
- Continued Education (CE) unit accreditation
- Review questions
- Live analytic data to monitor outcomes
