Curriculum Renewal CLOSE-UP

November 2022

Curriculum Renewal: Fall Retreat

On October 7 & 11, 2022, **Drs. Ellen Pearlman** and **Joanne Willey** led the online and in-person Curriculum Renewal Fall Retreat with a combined

attendance of over 120 faculty, students, alums and staff members from the Zucker School of Medicine, Hofstra University and Northwell Health community. The retreat resulted in numerous creative and innovative ideas and suggestions that will be explored further by our Curious Questioning teams in the next phase of Curriculum Renewal.

Curriculum Renewal: Curious Questioning Teams

Sign up by November 11!

Do you want to become more involved with Curriculum Renewal? We are currently forming Curious Questioning (CQ) teams that will work together to dive deeper into our current curriculum and propose initiatives and changes that will prepare our medical students for tomorrow's healthcare industry. The following graph outlines the focus of each CQ team.

Curious Questioning Teams (Phase 1)

We are looking for people from every area of the educational program, including graduates, current students, faculty, staff, patients, and other stakeholders to get involved in this next phase!
