Mentor Department:

☐ I have reviewed the complete guidelines for GWDIR and agree that this student meets criteria: https://medicine.hofstra.edu/research/grad-with-distinction.html

☐ I am aware that the deadlines for this application are **May 31st** of the MS3 year (Cycle I) or **January 1st** (Cycle II) of the MS4 year

☐ I understand that if my student is invited to present, they are expected attend an in-person session on the first Thursday in July (Cycle I) or March (Cycle II) at 1:30pm.

Mentor Signature:

For each of the following, please describe the student's contribution and role in the study in sufficient detail to enable the committee to confidently assess whether candidacy for GWDIR is warranted.

1. **Formulation of the research question and hypothesis**

2. **Study design/methods**

3. **Data acquisition**

4. **Data analysis**

5. Manuscript preparation

Did the student use generative artificial intelligence (AI) for any part of this project? If so, please explain how generative AI was used.

Please include any additional information that will help us evaluate this student:
